

No-88

DECLARATION

It is hereby declared that we have rectified all the deficiencies mentioned in the rejection letter.

- 1) We have constructed the boundary wall on four sides of the campus with the prescribed size.
- 2) We have properly levelled the ground and now it is safe for the children to play.
- 3) We have constructed the lift and it has access to all the floors.
- 4) Number of non-teaching staff entered in the portal as 42 is a clerical mistake happened from the office section. We have actually 18 non-teaching staff and we have enrolled all of them in the EPF and ESI, except one staff's EPF could not be enrolled due to technical issues (Staff's document mismatching)
- 5) Proper drainage system is developed in the school and the certificate from the concerned department is available.
- 6) Inside view of the toilet is now available for the video coverage.
- 7) Composite science lab, computer lab and library are adequately stocked now with proper sitting arrangement. Indoor games facilities are accessible for the video coverage.
- 8) Land certificate signed by the competent authority is available now.
